

# Application for CT metering works

Please complete in BLOCK CAPITALS

This form is required by Horizon Power to arrange for Current Transformer (CT) metering.

## Before you begin:

- Consult the Western Australian Service and Installation Requirements (WASIR) located at [horizonpower.com.au/contractors-installers/manuals-standards/#resources](http://horizonpower.com.au/contractors-installers/manuals-standards/#resources)
- You must attach a single line diagram of the proposed metering installation with this form
- Submit the completed form and diagram to [metering.services@horizonpower.com.au](mailto:metering.services@horizonpower.com.au)
- If you have a question about your application, please contact your local Horizon Power office (details over page).
